### Day 4 - Monday 30 July 2018 (B, D) Fletcher's Mutiny Cyclorama /'A Little Bit Country'

Fletcher's Mutiny Cyclorama is an unforgettable experience. This is one of only a handful of paintings of this type in the world and is based on an art form made popular in the 1800's. Walk inside the circular painting and be surrounded by the immense artwork. A spectacular 3D effect is achieved in this painting with its detailed artwork and realistic perspective and the story that traces the history of the Bounty leaving England through Tahiti, Pitcairn Island and arrival at Norfolk Island in 1856. The afternoon is at leisure today and lunch is own arrangements. Tonight, after dinner at one of Norfolk's hotels, your host performs alongside of Rodney Vincent, Graeme Hugo and Fortunato Isgro. From the panoramic views from Mt Pitt to Captain Cook Memorial - the landing place of Captain Cook and now part of the National Park. Beautiful sea views, towering pines and a stop for morning tea in a scenic location. The rest of the day is at leisure and lunch is own arrangements. Tonight is a 2-course dinner at your hotel. After dinner tonight nightfall at Kingston brings a different mood to the Convict Settlement. The stillness and the stars are there just as they were before settlers arrived in 1788. With the dramatic use of real life sounds, theatrical lighting and costumed actors, the stillness is broken as Pinetree Tours takes you through the horrifying decades of Norfolk Island's convict era.
